PROFILE

Graphic designer with 6 years of hands-on experience creating brand identities, marketing visuals, advertisements and social content, plus 4 years of video editing. My work combines visual storytelling, branding and AI-assisted creative workflows.

EXPERIENCE

Founder & Brand Designer - DEHEIYYA

Independent brand project

- Built a complete visual identity from concept to application.
- Designed the logo system, wordmarks, color palette, graphic assets and brand applications.
- Created original character designs, social media visuals, campaign concepts and merchandise.
- Developed the brand's overall visual direction and presentation.

Video Editor

Client marketing project

- Edited short-form marketing and promotional videos for digital platforms.
- Handled pacing, transitions, visual flow and presentation using CapCut.

SELECTED WORK

DEHEIYYA - Brand Identity & Art Direction

A self-directed identity project combining contemporary graphic design with Palestinian-inspired cultural references across characters, campaigns, assets and merchandise.
